

# CONTINENTAL - UNDER COUNTER

## MODEL # SCCB-CD-UC

PROJECT: \_\_\_\_\_  
ITEM: \_\_\_\_\_ QUANTITY: \_\_\_\_\_

### SPECIFICATIONS

The Continental SCCB-CD-UC Series is a self contained, refrigerated under-counter, rear breathing grab & go display. Unit is available with 4000K LED top canopy light, mirror stainless interior ends, perforated stainless steel interior back panel and stainless steel deck with hemmed edges to contain spills. The deck pan is also removable, allowing for easy cleaning. The exterior of the display is available with a choice of standard-grade plastic laminates. With rear breathing refrigeration, non vented decorative finished panels can be placed directly in front of the case.

Available lengths: ☐ 36" ☐ 48" ☐ 60" ☐ 72"

Available depths: ☐ 35 3/4"

Available heights: ☐ 32 3/4"

\* All electric requirements include condensate evaporator pan.

\* 448a refrigeration available at no additional cost - please specify

### Electrical & Plumbing locations

Conforms to UL Standard 471,  
and NSF Standard 7; Certified  
To CSA Standard C22.2 No.120

RPI refrigerated merchandisers configured for sale for use in the United States  
meet or surpass the requirements of the DOE 2017 energy efficiency standards

The SCCB-CD-UC merchandiser is designed for use in stores where temperature and humidity do not exceed 75 degrees F and 55% R. H. Locate away from direct sunlight, rapid air currents and extreme temperature changes, Exposure to air currents from ceiling fans, air conditioners, ovens, etc. will disrupt the case's air curtain and refrigerated zone within. Any adverse field conditions stated above will void warranty. RPI in line with it's current policy to continually improve it's product reserves the right to change materials and specifications without notice.
